

The Last Page // Brooke Lunderville

I finished your book and Dm
I'm back in the real world A7
and feeling unshakably blue Cm G

The writing was great Dm
and the ending was fitting A7
I've got no complaints except one: Cm G
it's over G

I just want to read it again for the first time Dm G
fall in love with the hero again Dm Gsus4 G
be charmed by your magic, surprised by your villains Dm G
and discover the place where I'm home Dm Gsus4 G Gsus4 G

I stare at that last page and Dm
close my eyes briefly and A7
try to transport myself there Cm G

I flip the page over Dm
there's an ad from your publisher A7
but no magic door Cm G
to that land G

I just want to read it again for the first time Dm G
fall in love with the hero again Dm Gsus4 G
be charmed by your magic, surprised by your villains Dm G
and discover the place where I'm home Dm Gsus4 G Gsus4 G
